The Beacon Photography Group

IMAGES IN LOCKDOWN

The Exhibition

The Beacon Photography group was formed in February 2017 by Rev. Richard Priestley, the Priest in charge of the Parish of Beacon Trinity. The group was established for the benefit of the local community, so allowing people to come together and socialise around a topic of common interest, Photography.

The group aims to provide a friendly, inclusive and supportive environment where members have the opportunity to expand their photographic knowledge and skills through the sharing of photographs taken recently by members.

Since the beginning of the global pandemic and the UK lockdown in March 2020, the group has been meeting online. Meetings are currently held every Wednesday evening at 7.30pm. Moving meetings online has enabled the group to expand to include members from outside of the local area. Given the enthusiasm and positive feeling expressed by members about the group, the group will endeavour to provide these experiences to as many people as possible.

The exhibition of photographs ('Images in Lockdown') is a reflection of the group's photography over the past year. We hope that you enjoy the exhibition.

If you would like to learn more about the group, please contact either Jon Durrant (durrantjon5@gmail.com) or myself, John Law (johnplaw@btinternet.com).
