7	What is the purpose/object?	<p>Many people do not realise that Citizens Advice are a charity and without the support of grant givers we are unable to help the community we serve. We have already had to take drastic action this last financial year closing our Frome Office to enable us to equip the volunteers we have and release funds. We are asking parish councils where possible to support us in helping the community around them.</p> <p>In your parish in the last year, as you will see from the Key Statistics attached, we helped 59 clients with 275 different issues, and our volunteers supported these with 241 separate activities.</p>

8	Total cost of purpose/object.	To equip, train and supervise one volunteer a year costs £650 moving our services online during the pandemic cost us an unexpected £17,000 to ensure we were still available for those who needed us.
9	How will the residue if any be funded?	Through other fundraising efforts.
