Ashwick Parish Council and Community Engagement

The Parish Council will facilitate community engagement in the following ways:

- Making information on what decisions are being considered and how residents can influence or contribute to the discussion in good time. Methods used to ensure engagement will be – through the Parish Council website, notice board, The Beacon Magazine, posters, consultations, reports, and word of mouth.
- All meetings of the Parish Council and its committees are open to the public and press and there is a period set aside for residents to speak. Residents can access agendas for meetings via the Parish Council web site and notice boards. The Parish Council website, notice boards and agendas explain the procedure for residents wishing to speak at meetings. Facilities also exist where residents can, where appropriate or necessary, make written reports, present petitions or have a case presented on their behalf to councillors.

- Planning applications are considered at Council meetings held monthly. The opportunities for people to speak applies equally to these agenda items. Equal opportunity is given to applicants / supporters, objectors and local community groups.
- The Parish Clerk is required to play a neutral role so that residents can be fully involved and be confident that they are receiving unbiased information and support. This neutral involvement will allow more flexibility in the service and the personal element of the contact, will hopefully encourage more involvement from the hard to reach members of the community.
- Details of how to contact the Clerk will be displayed on notice boards, council website and the Parish Magazine.
- The Parish Council will produce a list of annual council and committee dates to include the start times of the meetings and agenda distribution dates.
- The Parish Council will be open and accountable in its dealing with residents and the community.
- The Parish Council will be receptive to requests from residents or communities and will attempt to be flexible in order to ensure their opinions are known not only to the Parish Council but also to other organisations. This may be by including an item for discussion on an agenda or allowing a local group to put their opinions into an official report undertaken by the Parish Council.
