

Examples of Plaques for Trees

A plaque has already been produced for the Jubilee Tree but it was felt that the wording was incorrect and there was no mention of the Parish Council, the cost for this was £63.00

The options are

1. To accept the original plaque and place by the tree
2. Amend the original plaque with amendments, costs being sourced by Cllr David Hine
3. Purchase a new plaque

Wording on the Plaque

If the Parish Council opted for option 3 there are a couple of options for words

1. Oak Tree Donated by Ashwick Parish Council In honour of the Queen's Platinum Jubilee 2022
2. Queen Elizabeth II Platinum Jubilee 1952 – 2022. Donated by Ashwick Parish Council
