Dear Ms Egan

Land at Chapelfield, Oakhill:
Planning Enquiry

I attach my company's quotation for the preparation of evidence to put before the planning enquiry into the refusal of Mendip District Council to approve residential development on the above site.

My company will prepare evidence including highway access and sustainability issues raised by the planning application.

My attendance at the enquiry is subject to your further instruction once the evidence is prepared and deposited with the Planning Inspectorate.

Yours sincerely

David Mason
